## Time of Standing!!!

**Now thanks be unto God, which  
always causeth us to triumph in  
Christ, and maketh manifest the  
savour of his knowledge by us in  
every place.**

## Greetings From Germany, Europe and the Nations!!!

We all go through times of change. Times of standing. Times of resisting and times waiting for a breakthrough to go forward. This is the place that we are in right now here at the home base. All of the above. I am asking you to stand with us about this. Back in January we began to notice an increased smell in the main room of our building. As you know we remodeled much of it back in 2013. We invested much time and money into it. One thing that we did not do anything too change was the floor. Outwardly it was in good condition and it is not our responsibility because we do not own the building. We put a carpeted stage on one end and a sound both in the back. Later we will bring carpet down the middle of an aisle. Now we have found that there is a problem. The smell was checked out and we have a lot of mold under the floor. In these older buildings they did not do a good job in sealing the foundation walls or the walls that go into the ground for the basements. Then under the floors instead of concrete they fill them with dirt and what every they could find at the time. The floor then was covered with wood frames, wood floor panels, plastic, and laminated wood tiles on the top. So the problem is that the water has been seeping through the wall from the other side of our building that is a parking lot. It soaks through the sandstone

Thanks Be Unto God who always causeth us to triumph!!! Somebody shout!!!

If God be for us who can be against us!!!

wall and creatures moisture under our floor which then brings mold. The entire has to be taken out, replaced, and the walls and floor sealed. The question now is among 3 insurance companies. Who pays for it? We are patiently waiting for this to be worked out and have not had Church in our building for the last 2 months. It is like having a house and not being able to live in it. This has been a great hinderance stopping our confereces, concerts, and inviting new people to our Church. We still have our store because it is in the front and there is a door between the store and the Church. This is the reason that we have not posted many videos and not had our regular meetings and conferences. A husband of one of our Church members is graciously letting us use his office place for our services which is located

not to far from the building. Anyway keep us in your prayers!!! We are speaking to this mountain of mold that it is moved, that we have favor, that we are restored for the time that we have lost and that the renovation is done and everything comes back into order in Jesus name, Germany to Jesus!!!

Be blessed,

Mark and Rafaela Irvin.

**“Faithfulness: The Warrior, The Athlete, and The Farmer!!!”**

Right now I am teaching a series to our Church on **“Faithfulness!!!”** We are using 2 Timothy 2:1-8 for our text.

2 Tim 2:1 Thou therefore, my son, be strong in the grace that is in Christ Jesus. 2 And the things that thou hast heard of me among many witnesses, the same commit thou to faithful men, who shall be able to teach others also. 3 Thou therefore endure hardness, as a good soldier of Jesus Christ. 4 No man that warreth entangleth himself with the affairs of this life; that he may please him who hath chosen him to be a soldier. 5 And if a man also strive for masteries, yet is he not crowned, except he strive lawfully. 6 The husbandman that laboureth must be first partaker of the fruits. 7 Consider what I say; and the Lord give thee understanding in all things.

In these verses we see Paul Timothy’s spiritual Father exhorting Timothy a Pastor about Delegation and Authority. Paul told Timothy, that the first thing that you look for in your leaders is faithfulness. Not the anointing, not the gifts, but the faithfulness. Then he uses 3 categories of occupation to describe faithfulness. The Soldier, The Athlete, and the Farmer. Timothy, how would this person endure hard times and conflicts as a soldier. Are they fighters for what you have given them to hold on to it and not allow
