Dear Partners and
Friends,

We bring you good news from Fürth Germany. The highlight for the ministry has been the Healing Revival. The Revival began in the Middle of March with teaching and preaching on healing each night for five weeks. Then on the Friday nights a salvation message was given and the sick were prayed for. During this time we saw

Healing Revival 2018

God do some great things with healing, signs, and wonders. Of course the greatest testimony we have is people hearing the gospel and being born again. So far 11 people have been saved.

Recently we had a water Baptism in celebration of this. One woman came to the church for the first time during the Baptism. Rafaela and I have been witnessing to her for the past three years. Rafaela gave a powerful message on the new birth and what it means be baptised in water. At the end of the message she raised her hand and said "I want that too!!!" She received Jesus, we found some clothes for her, and she was also Water Baptized. What a great church service.

Some of the Healing Testimonies from the Healing Revival are: One man came that had not been able to work for 6 weeks due to shoulder problems. He sat in the service in the beginning of the Revival. Mark was ministering on the Power of the Gospel, Healing is included in the gospel. During the message he said everything left from his shoulder, all the pain was gone, he was totally healed. He could go back to work. Two nights later he came forward and received salvation. Another woman through a word of knowledge that Rafaela received needed an operation on Her nose. One side of her nose was blocked that she could not breathe properly. The power of God went into her body and when she went home that night the blockage was gone, she can breathe completely free. A miracle had manifested and for her she said it is like having complete new life. We have had 4 Skin issues healed including rashes. One man had the problem for a year. Everything is gone. Another man received healing of the flu over the Internet. Kneck problems have left. Back Problems gone. One woman that had problems in her Hipps creating pain throughout her body gone, she was so excited about being able to work the next

day without any pain. She's a professional cleaner. Another woman was having lung problems and pain. Many times the ambulance would come to her house. She attended almost every night of the revival, is now regularly in our church, her son was water baptised, and the other day she went out and played the park with her kids. She was also healed of a migraine headache. Tooth pain left another man after one that attended the revival went home and prayed for him. He has not received salvation yet but knows that something supernaturally happened too him. A man came with hip and knee problems, Martin my translator laid hands were laid on him you could here a snap and everything was gone. Another woman that was regularly with us over the Internet who had been sick since August and not able to shop(not easy for a woman, Ha Ha), clean, and do the normal things of life, was healed!!! This is our God and the testimonies continue to come. Even though we have stopped the nightly meetings the Revival continues with Teaching or Preaching on Healing Each Sunday, Wednesday, and Friday nights. Friday is an Evangelistic Healing Service. All the previous services can be seen over our Internet YouTube channel. If you are anyone needs healing all the messages are available for online listening, downloading, or YouTube Video. Mp3 CD's are being produced with several messages each for online purchasing. Each one is power packed with the Word for Healing. Faith Cometh By Hearing and Hearing By The Word of God !!! Rhema Austria Graduation!!!**

We want to congratulate Renate Schönberg for completing Rhema Bible School in Wels Austria. We have known Renate now for several years and had the privilege of remarrying Her and Her Husband Wilfred. They had divorced and now have come back together. It is a great testimony how God brought them back together. Renate attends our Church via livestream and she and Wilfred come to Fürth about one weekend a month. Renate also is a great help with our German bible School, website, and Newsletter. They both lead Praise and Worship when here. Renate has written several songs, recorded and album, sings, and plays the Guitar. Wilfred plays the Congos. So glad to have them as a part of our team and the helping hand that they give at such a distance!!! We are behind you 100% and are thankful for the foundation of the word that you have received at Rhema. Much to come for you and Wilfred!!! God Bless!!!

What the Future holds. Now that we have our floor finished and building remodelled we are able to go forward here at the home base and things are slowly coming better into order.
